# INFORMATION BOOTH OPTION 2:

## BRING YOU OWN BOOTH

All exhibitors choosing an external booth builder (NOT ordering a booth structure via the official IEEE booth builder, cubicworx) must submit a detailed plan for cosmetic and technical approval to [standplan@cubicworx.de](mailto:standplan@cubicworx.de).

**Booth Plan Approval – MANDATORY: Deadline** - April 23, 2026 - Please inform your booth builder!

### Important!

- Please provide an on-site contact (name, email address, phone number)!
- Please include all dimensions (including the overhead design) and all technical connections.
- Exhibitors are permitted to build wall structures up to a maximum height of 3 meters. Additional rigging is permitted up to a maximum height of 6.00 meters (upper edge).
- Obstructing booth designs are not allowed - this will be checked on an individual basis.
- Please note that extraordinary booth designs may require further processing, which could result in additional fees.

### Rigging:

All ceiling suspensions carried out as part of booth construction at the Maritim Hotel & International Congress Center Dresden must be executed exclusively by Brähler ICS.

Please direct your request to:

Brähler ICS Konferenztechnik International Congress Service AG  
Dresden Branch  
Königsbrücker Straße 96, 01099 Dresden  
Phone: +49 351 888 55 33  
Fax: +49 351 888 55 44

# **INFORMATION BOOTH OPTION 3:**

## **MIDI BOOTH 6 sqm (BOOKED IN YOUR OFFER)**

Exhibitors who selected Option 3 "Midi Booth" in their Offer have reserved the following services:

- Exhibition wall on all closed sides of the booth, without cover panel
- 1 x quadratic high table with 2 x chrome/white bar stools
- Including setup and dismantling
- 3kW power connection May 18–21

The booth will therefore be ready for Move-In on May 18 between 2 pm and 6 pm and on May 19 between 8 am and 2 pm.

If you have any questions, please contact Rico Radeke or Nicole Flechs.

# DELIVERIES

## **DELIVERIES:**

International Congress Center  
Ostra-Ufer 2  
01067 Dresden  
Germany

**Deadline:** Deliveries can be accepted from Friday, May 15, 2026 at the earliest.

Please clearly label the shipment, including the name of the event and the company name. Otherwise, it will be difficult to assign them to the IEEE 6G Summit and deliveries may get lost.

# ACCESS DURING SET UP ON MAY 18<sup>th</sup> AND 19<sup>th</sup> and DURING DISMANTLING ON MAY 20<sup>th</sup> AND 21<sup>st</sup>

**1** - Access and exit at the checkpoint Ostra-Ufer.

**2** - Unloading area - Passageways and escape routes must be kept clear! Stopping to unload is permitted, but the space has to be made available again quickly. This means that you can stop to unload, but you can't park there any longer than that.

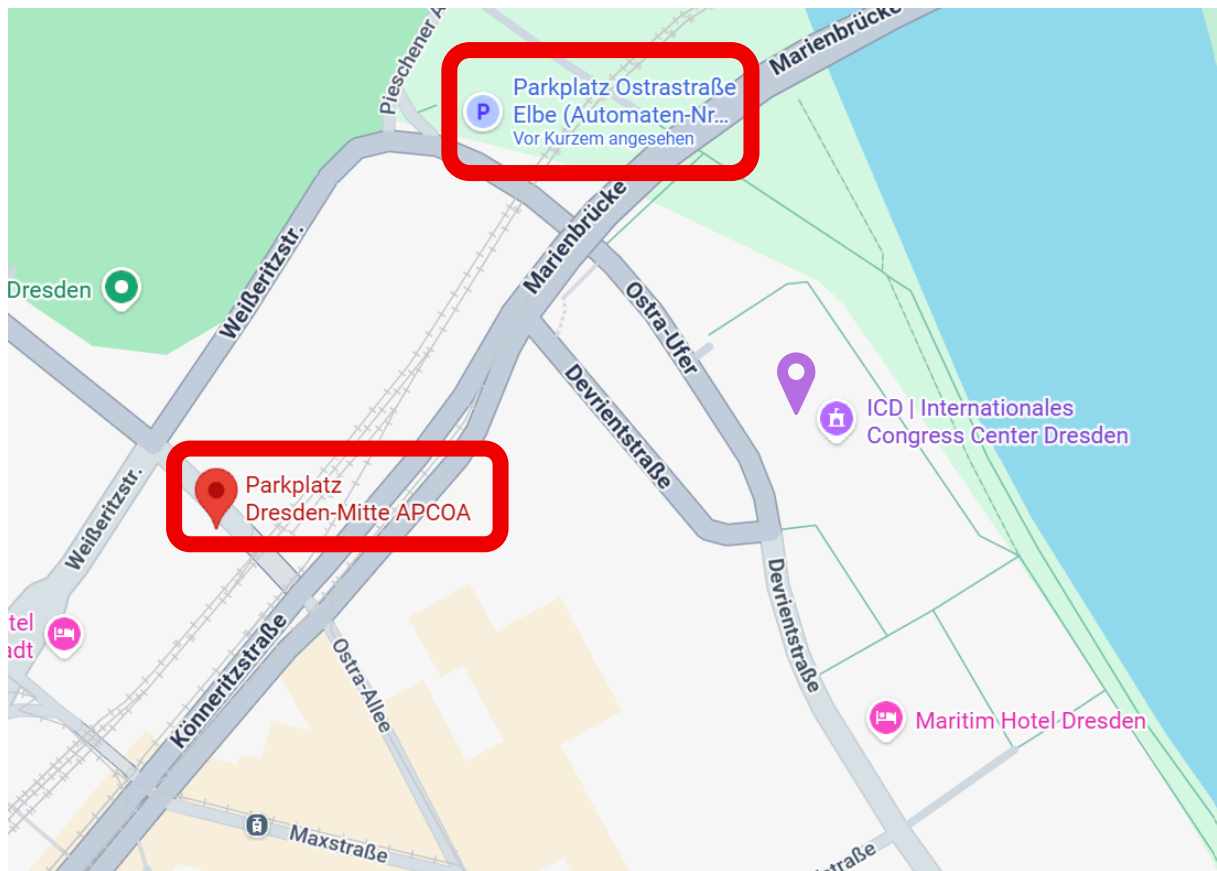

### **Important:**

Please keep in mind to bring transportation equipment (pallet trucks, movable boxes, etc.)—these cannot be automatically provided by the Congress Center.

If you only have small items for setting up your booth, you can also park in the ICD underground car park (maximum clearance height 2.10 m).
