MAY 19-20, 2026

International Congress Center
Dresden

 5gsummit.org/dresden

Presented by:

From 5G++ to 6G: The IEEE 6G Summit Dresden is the 11th high impact conference in Dresden, Germany, that brings together almost 600 industry leaders, innovators, and researchers from the mobile communications field. The high-level speakers exchange trends, technological insights, and business opportunities. Global players, startups, and academic institutions present their latest technological breakthroughs in an exciting exhibition. 2026 6G Summit Dresden will take place **May 19-20, 2026** at the [International Congress Center Dresden](#).
